## DCTA Implementing Service Changes Effective January 15

DCTA will implement service changes on Monday, January 15, 2018. Denton and Lewisville Connect Bus routes will be affected, and there will be no service or schedule changes for the A-train commuter rail.

In addition to service changes, DCTA will discontinue providing comprehensive Go Guides and offer riders individual route guides for the A-train, Denton and Lewisville Connect, Highland Village Connect Shuttle and Community On-Demand, North Texas Xpress, and the North Central Texas College (NCTC) Campus Shuttle services. Passengers will be able to pick up all individual route guides at the Downtown Denton Transit Center (DDTC) or view them online.

New schedules and maps are now available online for riders to view.
