

On-Demand Service Instructions

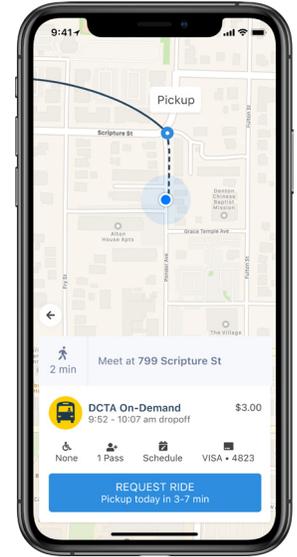

Effective Monday, May 11, 2020

The Denton County Transportation Authority (DCTA) reduced service hours and frequency in response to the coronavirus (COVID-19) health emergency. **As bus service will end prior to A-train service, DCTA is providing on-demand service to assist rail passengers to get to their final destination.**

This on-demand service will be provided from the Downtown Denton Transit Center (DDTC) and the Hebron Station. On-demand trips from the Highland Village/Lewisville Lake Station will be provided through DCTA's Highland Village Lyft Program.

Service Provided Monday through Friday:

- DDTC Station: 6:20 p.m. - 9:40 p.m.
- Hebron Station: 6 a.m. - 9:40 p.m. (Saturday: 8:30 a.m. - 8 p.m.)
- Highland Village/Lewisville Lake Station (via DCTA's Lyft Program): 5 a.m. - 9 p.m. (Saturday: 7:30 a.m. - 8 p.m.)

HOW TO BOOK A TRIP

Booking a trip is easy. Follow these steps below:

- 2 Open the DCTA On-Demand app on your mobile device.
- 3 Enter your destination in the “Where to?” box.
- 4 When selecting your pickup location (select DCTA stations except for Highland Village/Lewisville Lake), choose the A-train station of choice. When selecting your drop-off location, enter in an address for your specific location. **PLEASE NOTE:** DCTA will only drop passengers off at Connect Bus stops closest to their final destination.

- 6 Receive real-time updates of pick-up time via text and the mobile app.

Once you have created a trip, you can track the vehicle on the trip view in the DCTA On-Demand mobile app. You will be able to see where the vehicle is driving to, and an estimated time of arrival for when the vehicle will arrive.
